CAMPING CAR, SEEHOF

CAMPING AT BIOHOF PROBSTENBERG – SEEHOF

This organic farm offers a peaceful setting and remarkable panoramic views of the surrounding landscapes.

Whether travelling by motorhome, campervan, with a tent or simply a sleeping bag, guests can choose their spot in the meadow stretching along the dry-stone wall to the statue. It is an ideal place to admire the scenery and enjoy the tranquillity of the Jura Mountains.

To preserve the peaceful atmosphere and natural beauty of the site, the owners welcome a maximum of three vehicles per night, with exceptions possible for private groups. This limited capacity allows every visitor to fully appreciate the silence and beauty of the surroundings.

Sanitary facilities are available on request in the guesthouse for an additional fee. For an even more relaxing experience, a heated outdoor hot tub can also be booked, subject to availability.

PRICES

Prices

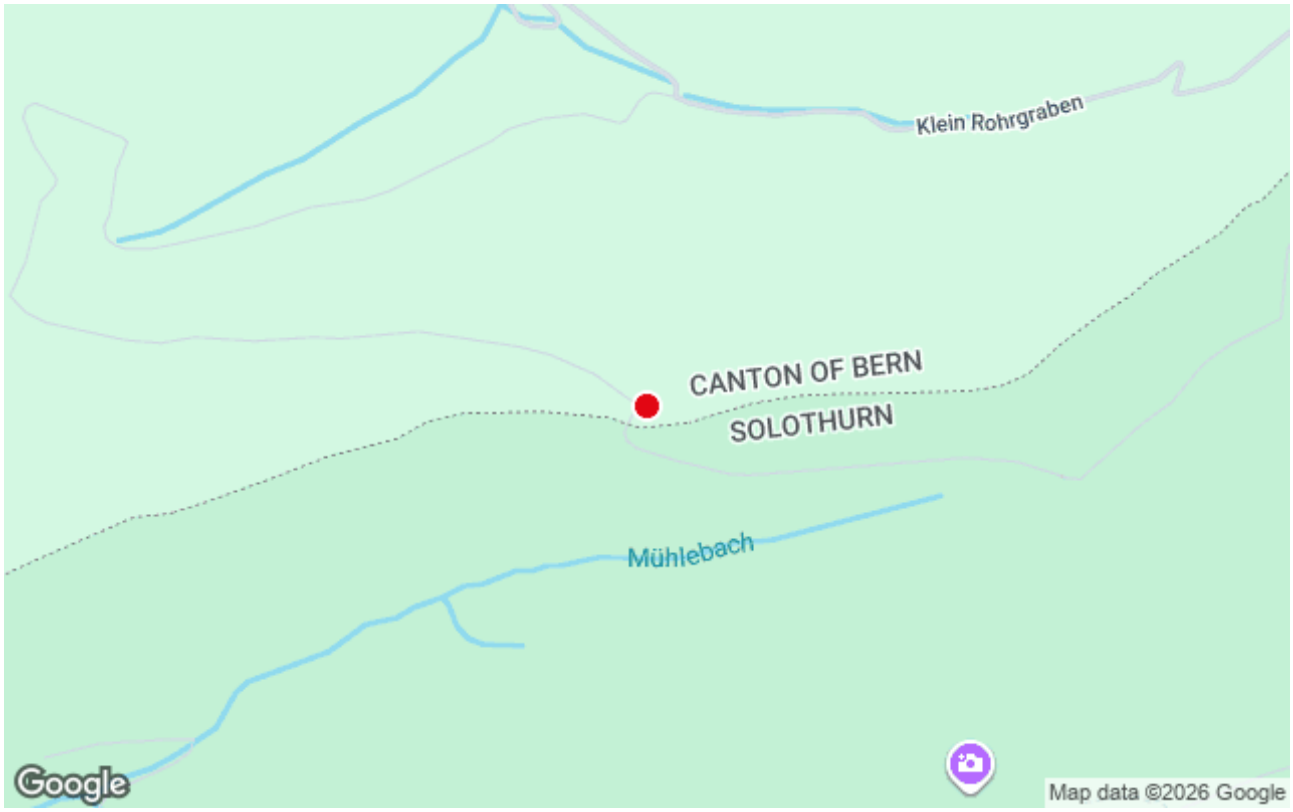

Price per vehicle per night	CHF 45.-
Additional charge for sanitary facilities (per person)	CHF 7.50
