LA COMBE MOTORHOME STOPOVER

Set in a peaceful, green environment near the village of Tramelan, the La Combe motorhome stopover welcomes travellers looking for a relaxing break amid the natural landscapes of the Grand Chasseral.

Located in the La Combe ski lift car park, the site offers 15 free pitches suitable for motorhomes of various sizes. As there are no water supply or waste disposal facilities, the site is reserved for self-contained motorhomes equipped with their own sanitary facilities. Stays are limited to a maximum of three nights.

Nearby, the ski lift's refreshment bar provides an opportunity to enjoy a meal or a relaxing break. The centre of Tramelan, with its shops and local products, is also easily accessible.
