STÄRNLI DES LUMIÈRES

On Thursday, 3 December 2026, from 5 pm to 9 pm, the playground of Plänke Primary School will turn into a magical winter market. Discover handmade gifts and decorations created by children from Plänke and Vingelz, and enjoy delicious food, mulled wine and punch. The market will open with festive songs performed by the children. A special Christmas tree rescue initiative will also give unsold trees a second chance.

Join us for a cosy evening filled with lights, festive cheer and winter magic!
