LOKAL-INT BELONGS TO EVERYONE

The Biel art space Lokal-int was founded in 2006 and has been organising exhibitions, happenings and interventions on a weekly basis ever since. Every Thursday evening, this independent space, measuring 24.5 m², offers an insight into contemporary art and provides artists from the region and further afield with the opportunity to present their work. «Lokal-int belongs to everyone» looks back on 20 years of exhibition activity – a tribute to this important meeting place for Biel's art scene.

With the kind support of the City of Biel Art Collection
