ZUNFT BIDÄ LÜT „METTER WEIHNACHTSANLASS“

St. Nicholas Day brings light and warmth to the darker season of the year. From midday onwards, a festive pre-Christmas atmosphere awaits you at Geyisried School, with food, drinks and a chance to enjoy a sociable gathering. In the late afternoon, St. Nicholas and his entourage will pay us a visit, accompanied by a Christmas music group. The many little lights, the scent of mulled wine and the festive atmosphere will create a magical moment for children and adults alike. Thoughtfully arranged highlights, such as cosy fire pits, will make the event even more special. Together, we will enjoy a Sunday filled with joy, tradition and community – Zunft bidä Lüt.
