NATURE

# THE BEACHES OF THE VALLÉE DE JOUX

**The Vallée de Joux offers several choice swimming and rest areas. Equipped beaches are found in Le Rocheray, Les Esserts-de-Rive, L'Abbaye, Les Bioux and Le Pont. More primitive beaches can be accessible on foot in La Pointe de sable (below the village Le Lieu) and the beaches at Brenet lake.**

**In the heart of the summer, water can get as warm as 24°C and the beaches are suitable for swimming and for water sports of all kinds.**

## GOOD TO KNOW

- Access to the lake is usually via a gentle sloping, pebble terrain.
- Rest and leisure zones are grassy, shaded areas.
