

CELEBRATION AND FESTIVAL, AVENCHES

ADVENT WINDOWS

During the Advent season, the residents and shopkeepers of Avenches decorate their windows to create a magical atmosphere for the festive season.

You are cordially invited to discover and stroll through the streets and alleys of Avenches, from December 1 to 21, in parallel with the Christmas Village.

A unique opportunity to share a convivial moment in the company of local companies or Avenches residents.

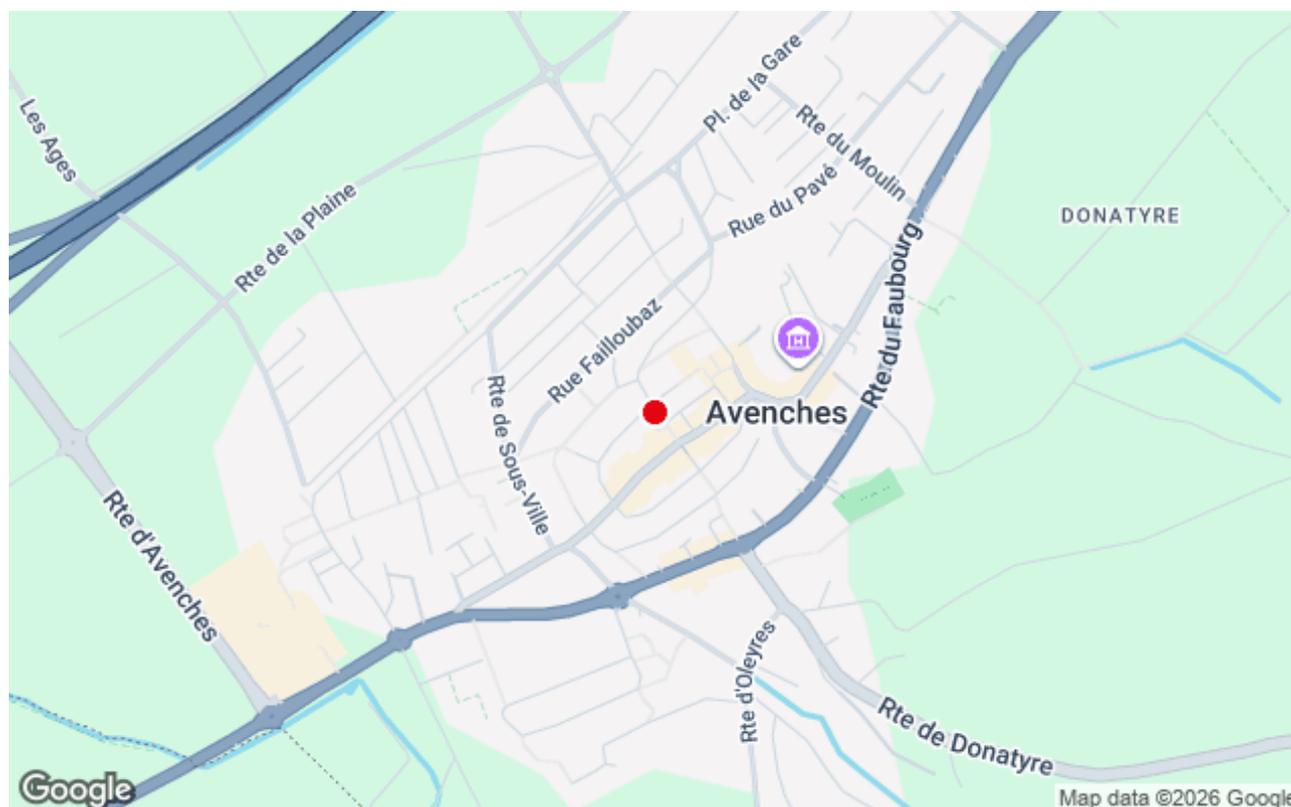

Full program available under "useful info".
