WINTER ACTIVITIES, SAINTE-CROIX

TREASURE HUNT AND CHOCOLATE FONDUE IN SAINTE-CROIX

Put on your winter boots or snowshoes and set off with the family to explore the snow-covered pastures and forests of the Jura Arc. A treasure hunt specially designed for children awaits you along the route!
The idea is simple: nine checkpoints mark a signposted route that takes you to the Gîte du Mont-des-Cerfs. At each stop, a question awaits you, and the answer is revealed at the next checkpoint. The final answer forms the magic word to whisper to the owner of the Gîte du Mont-des-Cerfs to receive a surprise, before tucking into a well-deserved delicious chocolate fondue!
For the winter of 2026–2027, budding adventurers will set off to discover the animals of our region and their secrets for getting through the winter. A wonderful opportunity to learn whilst having fun, all whilst enjoying a winter walk in a magical setting!
