ARTICHOKE FESTIVAL

This year, the ArtiChoke festival takes over the streets of Estavayer-le-Lac with a rich and accessible artistic programme for all. Live murals, exhibitions, creative workshops, shows and performances animate the weekend in a friendly and festive atmosphere.

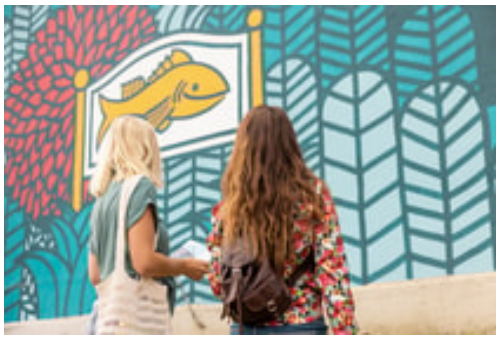

Visitors can watch live paintings created by urban and contemporary artists, take part in creative workshops, or enjoy the musical animations and performances offered throughout the festival.

The public can quench their thirst and delight their taste buds at ARTIFOOD, a gourmet space featuring flavours from around the world, and discover ARTIPUCES, a market bringing together artisans, creators, and local producers.

Between artistic discoveries, encounters, and moments of sharing, ArtiChoke offers an original immersion into the heart of urban art and the medieval city. The artistic trail remains accessible all year round, and the artworks can be discovered both in the historic heart of Estavayer-le-Lac and in the surrounding villages.
