RESTAURANTS, YVERDON-LES-BAINS

RESTAURANT DE LA PLACE

The location of Restaurant de la Place is ideal: on Pestalozzi Square near the town's most emblematic monuments and in the heart of the old town. Its terrace in a car-free area is a pleasant spot to have a drink or enjoy a delicious lunch or dinner in this lively neighbourhood of Yverdon.

The restaurant focuses on the flavours and culinary traditions of Switzerland and Europe. It offers various fondues, meats and dishes served on slates, flammenkueche, fish and seafood, beef tartare, and game and mussels when in season. To accompany these delights, there is a choice of local, Swiss and foreign wines.
