# BUBBLE FOOTBALL

“Make Me Bubble” was founded in 2015 on the beach at Yverdon-les-Bains with the objective of communicating a sense of values and amusement through sport, as well as encouraging social relationships. Moreover, themed games are on offer that raise the issues of leadership and education. Ideal for company outings, school trips or group excursions.

## GOOD TO KNOW

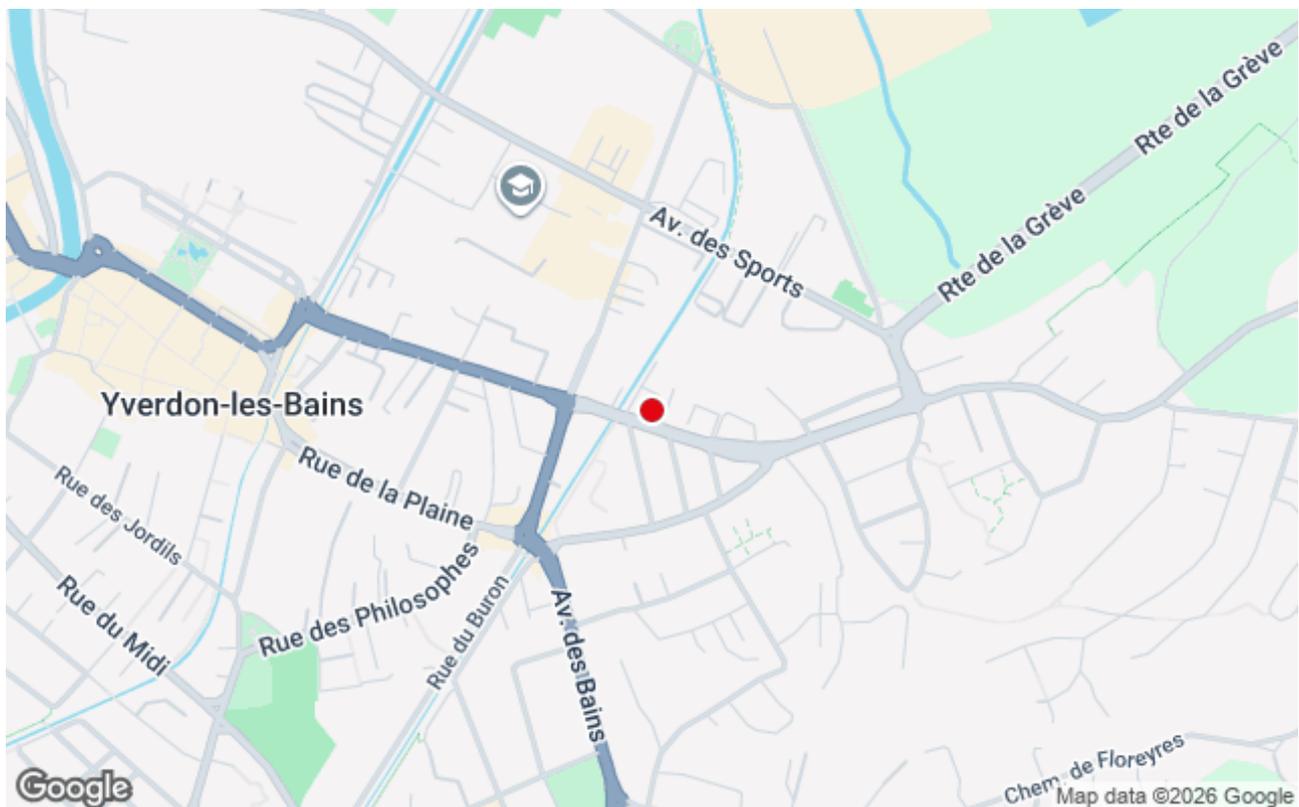

Reservation is recommended. Bubble Football is an outdoor sport but can also be played all year round in a gymnasium. Several playing sessions are on offer, but only actual playing time is charged.
