

MUSEUM, LA NEUVEVILLE

MUSEUM OF ART AND HISTORY

The Museum of Art and History of La Neuveville aims to preserve the historical heritage of the town of La Neuveville. Located at the foot of the Tour Carrée, an impressive stone building dating from 1520, this museum presents an important collection of objects and paintings testifying to the daily life of the Neuvevillois. The collection includes historical documents, manuscripts and prints, medals and old coins, weapons, paintings and engravings, books, clothing, photographs and postcards. There are both temporary and permanent exhibits, including an impressive collection of cannons.
