GUIDED CITY TOUR, ST-IMIER

WILDLIFE WATCHING, CHAMOIS AND MARMOTS

From Les Savagnières, we will walk towards the Combe Grède, a reserve where several protected animal species live. We will be particularly interested in the chamois and marmots. Your guide will show you signs of the passage of these animals and you will certainly be able to observe them evolving in their splendid natural environment in company of their fellow creatures.

PRICES

Prices per person
