GUIDED CITY TOUR, BIEL/BIENNE

IN REMEMBRANCE OF WOMEN

Marie-Louise Blösch, Anna Haller, Marie Goegg-Pouchelin, Lore Sandoz, Marguerite Gobat and the milk war… because women also made history in Biel, the city tour “A different view” leads you in a somewhat unlike way through the old town and parts of the inner city. You will visit all places where women have clearly left their mark: From midwife in the Middle Ages to the suffragettes of our time - through five centuries.
