RESTAURANTS, YVERDON-LES-BAINS

LE DOUBLE R

Le Double R offers a large choice of burgers and will never compromise on the provenance and the quality of the ingredients. The meat comes from surrounding farms, the vegetables are cultivated in the region, the bread is prepared by a well-known bakery nearby and the melted cheese is provided by a dairy close to the town of Yverdon-les-Bains. All the burgers are accompanied by home-made sauces and can be enjoyed with salad or French fries sublimated with paprika or onions caramelised in beer. Reservation recommended when eating in the restaurant, food also available to take-away.
