

FARM TOURISM'S, LES PRÉS-D'ORVIN

BISON RANCH

The Bison Ranch, located at an altitude of 1'196m on the south-eastern slope of the Chasseral, is a park with activities and various accommodation possibilities, which hosts a herd of about 50 American buffalos. On site, you can test your agility with the rope park, sleep in the far-west cabins, teepees or dormitories, or visit the buffalo farm. A rustic inn serves simple cuisine, including fireplace grills, röstis, fondues and country-style dishes, and also offers buffalo meat from the ranch. The Bison Ranch promises an adventure worthy of the Wild West era.
