

RIDING, NODS

PONEY RANCH

"We normally wait to have children with us to organise such expeditions. Even though the location is fantastic, the mountain pastures are displaying their summer colours and the Chasseral is as fascinating and full of beauty as ever, horse and pony rides are even more fun with children. You can take them with you from the age of 4 and when you get back to the ranch, it's a delight to hear them tell their stories".
