FUN & ADVENTURE, RÉCLÈRE

PRÉHISTO-PARC

Préhisto-Parc invites you to explore its 2 km route through the forest. Go back in time to a few million years ago. Follow the major stages of animal evolution through the 45 life-size reproductions on show. A large observation tower provides you with a breathtaking view of the Doubs Valley and its meanders.
Do not miss out on a visit to the caves of Grottes de Réclère on the same site.
