RETIREMENT HOMES FOR HORSES

The Foundation for the Horse is a retirement home for horses, ponies, and donkeys, founded in 1958 by Hans Schwarz. All four sites offer free tours. Guided group tours are available by reservation at Le Roselet and Maison Rouge, each with a restaurant and a children's playground.
At Maison Rouge, 2336 Les Bois, an exhibition on the Franches-Montagnes horse can be visited free of charge every day from 9 a.m. to 5 p.m.

GOOD TO KNOW

- The restaurants at Le Roselet and Maison Rouge offer wheelchair access and disabled toilets.
- The Foundation also breeds Franches-Montagnes horses. Visiting the site is a real chance to discover the horse at every stage of its life.
- With the JURA-PASS, get a 20% discount off the purchase of a children's game folder (only on Le Roselet site).
