STEBLER VOYAGES

"I was looking to rent a minibus for an outing with the Samaritans, but it was even more important to find a driver who could speak Swiss German and tell us about the region we were visiting. In the Internet I found the address of Stebler Travel in Develier. The name sounded sufficiently Swiss German, so I thought why not give it a try. And I did not regret it! I was immediately greeted with a spontaneous and warm "Grüezi". A good start to an excellent collaboration. Our group was met at the Delémont train station. We then visited St. Ursanne and the taxidermist in Vicques, among other treats."
