AARBERG

Picturesque facades and a historic town center surrounding a well-maintained town square with specialty shops and restaurants create a unique and high-quality urban space. Crossing the famous wooden bridge leads you into the heart of Aarberg, where old traditions blend with modern charm. The town square delights visitors with its cozy restaurants, specialty stores, and comfortable hotels.

At “AARinfo”, located at Stadtplatz 28, visitors also have access to a modern, multimedia self-service tourist information center (open 7 days a week, from 8h to 20h), offering changing thematic insights into the town’s history.
