RIDING, SAIGNELÉGIER

THE "FRANCHES-MONTAGNES" HORSE

The Jura region is the birthplace of the Franches-Montagnes horse: native to the high plateau of the Franches Montagnes. The Franches-Montagnes (FM) is the only indigenous Swiss horse breed. The Franches-Montagnes is a strong horse with remarkable learning abilities. Of medium size, this good-natured animal has a supple and safe gait making it the perfect choice for carriage driving and horse riding.
