OIL MILL OF SOYHIÈRES

In Soyhières, the oil mill invites you to discover an impressive variety of cold-pressed oils, crafted with care and expertise. In the shop, lovers of authentic products will find unique flavours, the result of artisanal production that respects raw ingredients.

The mill also opens its doors to curious visitors. The tour offers the opportunity to observe the different production stages and gain a better understanding of traditional techniques. This immersive experience is perfect for an outing with friends, family or children, combining discovery, learning and sensory pleasure.
