RAIL, TÄUFFELEN

# RAILWAY LINE BIEL/BIENNE – TÄUFFELEN – INS

**The Aare Seeland mobil runs along the south shore of Lake Biel. From Biel, via Täuffelen, to Ins, the travelers enjoy a magnificent view of the lake or St. Peter's Island. There's quite an extensive nature conservation zone between Mörigen Bay and the Hagneck power plant. And the temptation to linger awhile at any of the lovely bathing spots is irresistible!**

## GOOD TO KNOW
