KÄPTN OLİ'S SCHIFFFAHRT

Olivier Perrot is a captain out of passion. He has been enthralled by boat travel since childhood, when he spent hours on the banks of Lake Biel watching the many scheduled boats carrying their passengers across the water. His second passion is organising events, and this is how Käptn Oli came to arrange his unique occasions and special trips on three lakes (Murten, Neuchâtel and Biel). Climb aboard and enjoy a tasty menu, which Käptn Oli prepares individually along with his team.
