FUN & ADVENTURE, LIGERZ

SCOOTER, WINE AND WINE VILLAGE

The excursion begins with a ride on the "Vinifuni" from Gléresse to Prêles. This panoramic funicular offers a spectacular view of the Alps, Lake Biel and St. Peter's Island. On arrival at Prêles, also known as the "Jura balcony", meet your guide and receive initial instructions before starting the descent through the vineyards on a scooter. There are several stops along the way so that the guide can give you explanations and anecdotes about the region and its wines. You will also have the opportunity to visit the famous church of Gléresse, a true emblem of the region. On request, a wine tasting or additional activity can be organised when you arrive in Ligerz.

PRICES

Prices for groups
