WINTER ACTIVITY

WINTER OVERNIGHT IN THE NATURE

Would you like to experience an unusual adventure in the heart of a magical setting?
Knowing the basics of orientation, using a compass, choosing your equipment... We offer you an accompaniment by an experienced guide.

After a first walk, the place of the bivouac will be chosen. After a meal prepared together, you will spend a night in the middle of nature.

In the morning, a good breakfast with birdsong in the background will prepare you for the walk that will make you discover the surroundings. An extraordinary experience that will leave you with unforgettable memories!
