BED & BREAKFAST, SAIGNELÉGIER

GÎTE - CHEZ TOINETTE

The accommodation consists of four rooms (one with a kitchenette) and three cottages: one made of straw, one of wood and the other of stone like in the childhood tale “The Three Little Pigs”.

The guesthouse has a spacious hall which can accommodate 20 people, with a large south-facing window front. It is wheelchair accessible and can be divided into two separate spaces, i.e. to hold a meeting or a reunion. The hall can be rented for events with or without overnight accommodation, or just during the day. It has a fully equipped kitchen which can be rented as well. This is also where the breakfast is served, and, only upon request, dinner.

The guesthouse is situated less than 10 min. on foot from various good restaurants that we can recommend. A locked bicycle room is at the disposal of our guests. They are the ideal means of transport to get to the spa and leisure center at the other end of the village, or to a farm nearby to go horseback riding.

On request, boxes are available 300 metres from the accommodation: CHF 30.- per box, per night.

Numerous sports and cultural activities are on offer in the region. We will be glad to advise you.

With the Jura-Pass, make the most of free public transport and get reductions on a range of activities in the region.

GOOD TO KNOW

- Types of cottages:
- The straw and brick cottages are partially equipped for people with reduced mobility, who can use them as guest rooms for accommodation only, since the kitchen is not adapted accordingly.
- Should you have a preference for one or the other cottage, please inform the host who will do his best to accommodate your request.
