HOTEL RESTAURANT CHASSERAL

The Chasseral Hotel-Restaurant is located at an altitude of 1,606 metres, on one of the highest peaks of the Jura mountain range. The hotel offers comfortable, well-equipped rooms as well as magnificent panoramic views.

In winter, the pass is not always accessible by vehicle. Please be sure to check the latest information on the hotel's website before travelling.

However, you can also reach the summit on foot, by ski touring, cross-country skiing or snowshoeing.

Total capacity: 17 rooms + 2 dormitories / 48 beds.
