HOTEL, NEUCHÂTEL

HÔTEL PALAFITTE

In the middle of a most beautiful environment and facing fantastic scenery, The Hotel Palafitte is a unique place for a stay. Refinement and simplicity coexist in a very sophisticated way. Luxury and wellbeing are complementary. The hotel offers 38 junior suites, 24 of which look over the lake. In the restaurant, La Table, you will enjoy exceptional quality and originality. It was originally the fruit of the co-operation between the Sandoz Family Foundation, the Lausanne Hotel School and Siemens and was designed by Kurt Hofmann, architects. The chef welcomes you with a gourmet cuisine favouring local produce as well as an opening to the world cuisine. With its large picture windows, the place offers a unique view of the lake and the Alps. In summer, the terrace overlooking the lake is an invitation to day-dreaming. Open 7/7, from breakfast to dinner, it also serves brunch on Sunday from 12:30. Its state-of-the-art technology makes the Palafitte Hotel a vision of what a hotel should be while still meeting the rigorous requirements of a five-star establishment.
