HOTEL CAMPING SUTZ AM BIELERSEE

The Hotel Camping Sutz is situated on the southern shore of Lake Biel, 6 km from Biel. From Biel it is easily accessible with a 10-minute ride on the Aare Seeland Mobil train and 8-minute foot march thereafter.

The official bike routes 5 & 8 also lead directly past the campsite. Here, a spacious sunbathing meadow and flat shoreline with jetty and fireplaces invite you to linger. Leisure facilities include a beach volleyball court, table tennis, bocce facility, a large games field and children's playgrounds. Magnificent views over the lake up to St. Peter's Island are enjoyed from our restaurant - and small purchases for everyday needs are available at the little camping shop.

Our tourist area has places for tents, caravans and campers with special Sickerbox ground drainage system and a modern toilet and shower block with baby washroom. Those who want to travel light also have the opportunity to stay in one of our rental properties that offer an ideal starting point for cycling holidays.

Since 2013 both double and shared rooms are available for rent. Our double rooms come with a balcony and a small bathroom with shower / WC. Bed linen and bath towels are provided. The multi-bed rooms can accommodate up to six people. Each room has three bunk beds, naturally fitted with bed sheets and pillows.

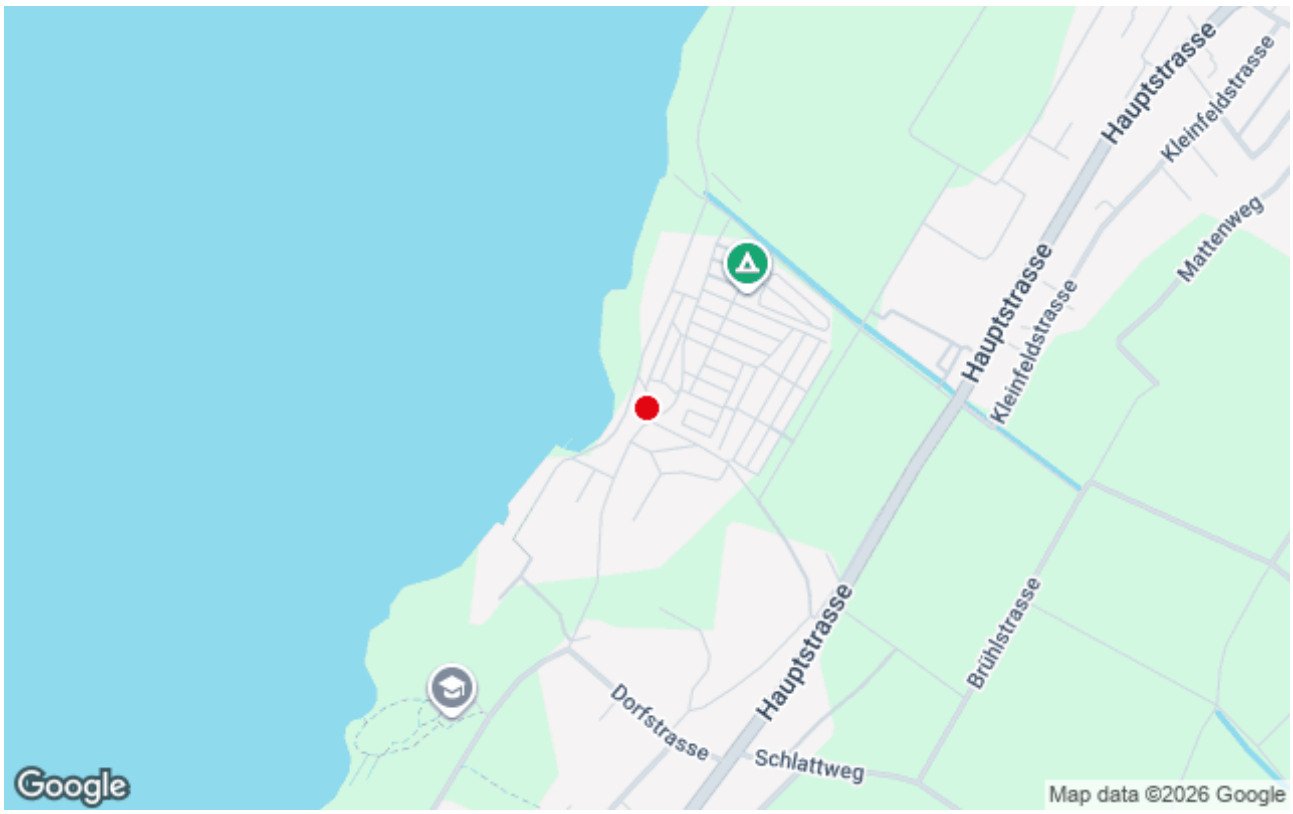

Latest highlight is our available barrel-style cabins from Finland. We have a total of 13 barrels, in each of which 4 people can sleep. Please bring your own sleeping bag.
