BED & BREAKFAST, COEUVE

# LES CABANES DU MONT

**Spend the night in a cabin perched high up in the air and enjoy the surrounding natural environment…enjoy a breakfast made of fresh produce on a terrace in the middle of the forest…treat yourself to an enchanted interlude during a stay at the Mont-de-Coeuve! Four 4* cabins, each with its own personalised décor and theme. Fancy the "Adventure" or the "Jurassicab"? Adults and littlies alike will love the suspended beds or bunk beds with a protective net on the outer side. The harmonious, natural décor in "Nature" will ensure peace and relaxation while "Nostalgie" will take you back in time…**

**Open all year round, the cabins are equipped with Swiss Hüsler Nest natural bedding for a healthy, deep sleep, along with a fridge, microwave, coffee/tea machine, bathroom facilities (shower and toilet) and heating. Built on stilts, the cabins blend perfectly with this unspoilt natural environment. Only a tree will cross the terrace, as if in communion with the forest.**

**Travelling by train? We'll be delighted to fetch you from Porrentruy Station.**

**We look forward to welcoming you to our little bit of paradise soon!**

**With the Jura-Pass, make the most of free public transport and get reductions on a range of activities in the region.**
