GROUP ACCOMMODATION, LA CÔTE-AUX-FÉES

LA JOIE DE VIVRE

The house has a capacity of 68 guests. It offers 18 bedrooms spread over two floors. The third floor, which has not been renovated, is not available for rental.
For meal preparation, a small pantry kitchen equipped with a cooker is available on the ground floor for light catering. In addition, a professional kitchen is located in the basement, with a serving hatch connecting the basement to the ground floor.

Important: the house operates on a self-catering basis. This means that guests are responsible for preparing their own meals as well as cleaning the premises. No cook is provided.

The floors consist of the bedrooms and one bathroom per floor. The ground floor includes an infirmary, a toilet, an office, a library, two playrooms, the pantry kitchen, two halls, and a large dining hall.
