RIDING, LES BOIS

ELEVAGE DE LA FAMILLE CERF

Visits to a horse breeding farm can be arranged by the Cerf family (2 to 15 people and groups upon request). The horse breeding farm includes 8 equids, but the Cerf family also has cows of the Holstein and Jersey races as well as other animals like goats, chickens, rabbits, a dog and several cats on their property. If you wish to extend your stay, a chalet can be rented on-site.
