SPORT, LES CHARBONNIÈRES

TRIATHLON VALLÉE DE JOUX

500 m swim • 22 km cycle • 4.5 km run

Suitable for both beginners looking to try their hand at triathlon and experienced athletes, the Short Distance format is ideal for pushing yourself without committing to a long-distance event.

Whether competing individually or as part of a relay team, tackle the three disciplines in a friendly and authentic atmosphere, set against the exceptional beauty of the Vallée de Joux.

To ensure the best possible racing conditions, the event features two separate starts: one for women and relay teams, and one for men.

One format, one experience: that of an accessible, challenging triathlon with a strong focus on nature.
