AARBERGER PUCE - FLEA AND ANTIQUES MARKET

The "Aarberger Puce" was launched in April 1977 by a handful of idealists and about two dozen antiques dealers. Since then the market has been held twice annually, on the last Friday and Saturday in April and in August. The number of exhibitors has grown to 250 dealers and the "Puce", as the market is commonly called, has become one of the largest and most atmospheric brocantes in Switzerland.
