

FESTIVITY, FESTIVAL, BIEL/BIENNE

PLUSQ'ÎLE FESTIVAL

The weeklong plusQ'île festival takes place in a spot with no kind of infrastructure - other than the tents and camping cars that accommodate artists in this open-to-all village setting.

In tents and beneath open skies around thirty shows take place: theatre presentations, dance, music and performances of different disciplines. The festival offer also holds the promise of great activities, a cinema day and naturally catering stands at which you can enjoy a taste of foods from all over the world.
