

ACTIVITÉS HIVERNALES, LE BRASSUS / L'ORIENT / L'ABBAYE / LA DENT DE VAULION

VALLÉE DE JOUX AND VAULION SKI LIFTS

9 ski lifts on altogether 42 km long slopes await skiers in a unique panorama. From Vaulion to Le Brassus, through L'Abbaye and L'Orient, alpine skiing enthusiasts make use of a range of slopes that would surprise more than one specialist: admiring a 360-degree panoramic view from the summit of Dent de Vaulion, overlooking Lac de Joux at the top of L'Abbaye, go night skiing in L'Orient and slaloming between the firs in Le Brassus delight many skiers and snowboarders.
