SLOWUP JURA AGGLO'BALADE

Each year in the month of June, soft mobility is one of the main topics in the canton of Jura. The slowUp features a loop route of 35 km reserved for users of bikes, roller skates, or hikers. Numerous stands in the villages along the route offer food and refreshments. Different activities for all ages are organized as well.
It will also be a great opportunity to try out the new Marathon du Jura. An endurance challenge on hard and more or less flat ground, a first in the Jura.
