SLOW UP JURA

Each year in the month of June, soft mobility is one of the main topics in the canton of Jura. The SlowUp features a loop route of 36 km reserved for users of bikes, roller skates, or hikers. Numerous stands in the villages along the route offer food and refreshments. Different activities for all ages are organized as well.

GOOD TO KNOW

- The special feature of the SlowUp in the Jura is that events are held in each village on the route.
