SKI & SNOWBOARD, TRAMELAN

SKI LIFTS TRAMELAN

Located in the heart of the Bernese Jura, 25 minutes from the center of Biel, the ski resort of Tramelan offers the pleasures of skiing in a family atmosphere. The easy access to the west of the village allows an easy reach of the resort. The parking lot and the free Babylift at the foot of the facilities as well as the restaurant are open from the first snow on. With its two ski lifts and its babylift, the resort can accommodate about 1'600 people per hour, on 5 slopes which combine 12 kilometers of descent. A 3 kilometer long ski touring trail is also available on site. The resort is included in the Magic Pass.
