

COMBINED OFFER, NEUCHÂTEL

HÔTEL PALAFITTE

Hotel Palafitte enjoys an exceptional setting on Lake Neuchâtel and each of its 38 rooms is a spacious individual pavilion. The restaurant has been recently renovated and renamed "La Table de Palafitte". The new décor accentuates the main assets: the view over the lake and the Alps. The cuisine favours local market produce. Besides the classic dishes that are available throughout the year, the menu is tailored to the seasons. This unique package combines a night at Hotel Palafitte with a brand new watchmaking experience in Neuchâtel.

Attend an exclusive training workshop hosted by a master watchmaker and assemble your own watch with a skeleton movement.
