

RESTAURANTS, SOUBEY

HÔTEL-RESTAURANT DU CERF

With a wonderful, sun-bathed terrace, located right on the riverbank, the hotel's restaurant offers both decent organic cuisine using fresh, local ingredients and a warm welcome. The totally plant-based and natural cuisine should, above all, leave you full and satisfied. The organic quality produce is comprised, as far as possible, of fresh, local ingredients. We offer fresh salads, soups, and main dishes that change every day as well as tempting desserts: boring or simple, never; they are always prepared by hand, from the heart.
