BERGERIE DU BAS, MONT-SUJET

Located above the village of Lamboing, La Bergerie du Bas is situated on the Mont Sujet sculpture trail, a lovely walk to enjoy before sitting down to admire the superb view over the Alps and the three lakes. Once seated at the table, you can enjoy country-style cuisine prepared with local produce: fondues, sausages, chops, rösti, bouchoyade, cheese croûtes and ham on the bone.
