RESTAURANTS, BIEL/BIENNE

HAFENRESTAURANT JORAN

The Joran du Port restaurant by the landing stage is a meeting place for those who like to spend time by the water or simply let their minds wander. The restaurant offers seasonal cuisine and tries - as far as possible - to buy its produce in Switzerland, and ensures the sustainability of its suppliers and their products. That's why the Joran has opted for Tschipps from the Locher brewery.
