RESTAURANT BATTENBERG

The Restaurant Battenberg offers every lunchtime, a choice of three menus: vegetarian, meat and 'hit of the week'. On Fridays, a fish menu is added to the menu. A small salad or soup of the day is included in the menus.

In spring/summer, by the fountain, you can also enjoy the magnificent garden and or the spacious terrace, sheltered by tall trees.

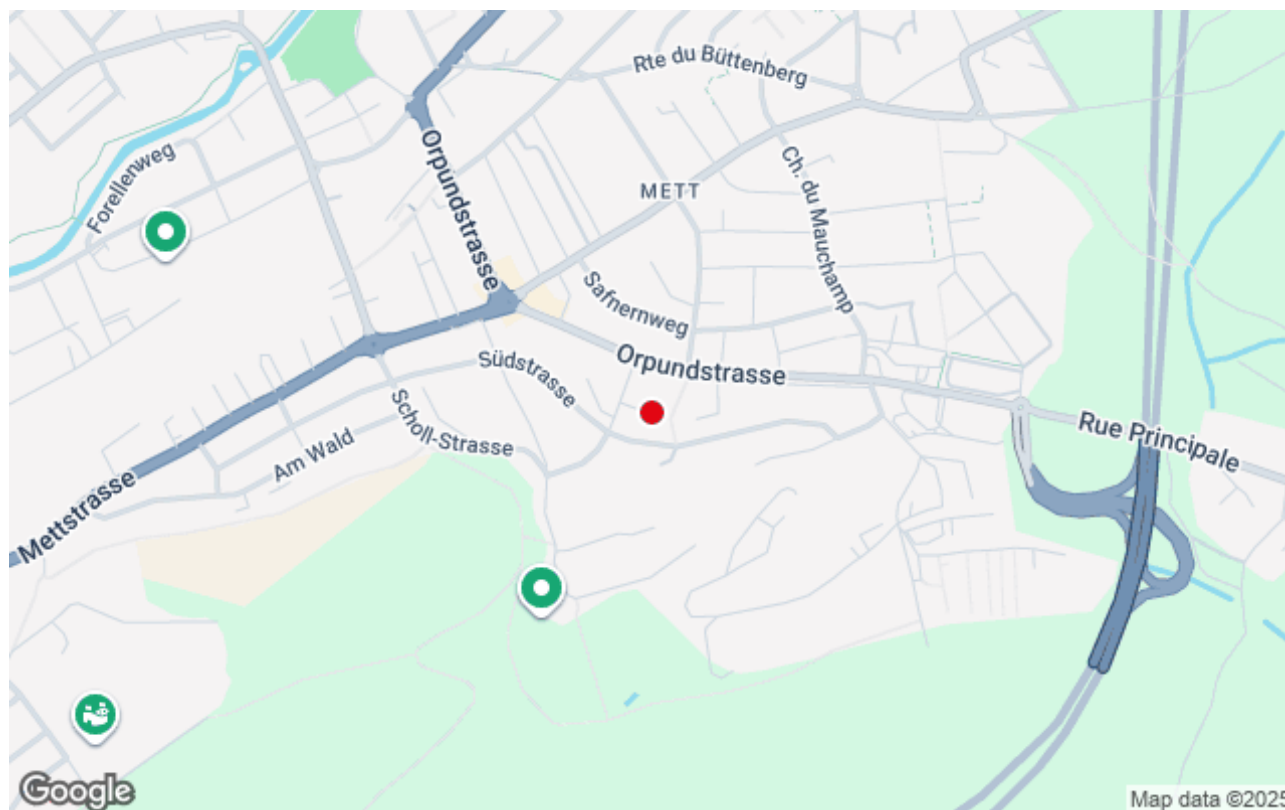

Let them surprise you with their tasty, healthy, seasonal and, of course, homemade cuisine!
