WINE CELLARS IN THE VULLY

Taste our regional wines and visit one of the 24 wine cellars located in the Vully. They are generally open to visitors on Saturday morning, Friday evening or Wednesday afternoon. We will be happy to provide you with information about the current opening hours.

GOOD TO KNOW

Our tourist office is also at your disposal for the organization of groups excursions in the region. The visit of a cellar can easily be combined with a meal and/or a guided tour.
