

STAINED GLASS WINDOWS, COURTÉTELLE

CHURCH OF COURTÉTELLE

The Church of Saint-Sixte dates back to 1708 and has undergone a number of transformations in the 19th and 20th centuries, with the last one realized in 1972. During that restoration, Basel native Hans Stocker created the windows, which add colour to the austere interior. These windows are a major artistic attraction.

GOOD TO KNOW

Artist : Johannes Emil Stocker
