

FESTIVITY, FESTIVAL, NEUCHÂTEL

NEUCHÂTEL FANTASTIC FILM FESTIVAL

The Neuchâtel Fantasy Film Festival (NIFFF) has quickly become one of the key events in the Swiss cinema world. Innovative programmes and prestigious guests have helped the NIFFF to win over the public as well as the critics. The quintessence of this festival is its richly varied programme, based on one central theme (Fantasy Cinema) and two secondary themes (Asian Cinema and Digital Images).
