# THE "PLAGE DES SIX POMPES"

The "Plage des Six Pompes" is the largest arts gathering on Swiss territory: it attracts almost 100,000 visitors over seven days, with no less than 50 performing groups and over 500 volunteers. The "Beach" is, first and foremost, a convivial venue: seven days of entertainment financed entirely by voluntary contributions, breathing new life into the historic town centre of La Chaux-de-Fonds, and a meeting place for people from all over the region and beyond.
